Re: 2025 Annual Keene Music Festival

The Keene Music Festival wishes to sponsor this year's Annual Keene Music Festival on Saturday, August 30, 2025. The scheduled hours for setup, performances and other activities are 8:00 AM until 11:00 PM; with performances ending by 10:00 PM.

As with previous events, we are seeking permission to use the common area and bandstand in Central Square, Railroad Square and those sections of the following sidewalks that are located within the Downtown area: Main Street, Lamson Street and Gilbo Avenue. This year, we are exploring the idea of utilizing an small area in the Commercial Street Parking lot as well. Musicians, merchants and city permitted restaurants will use the sidewalks. In no instance will a sidewalk be blocked in a manner that restricts pedestrian traffic. In addition to these locations, City Tire Company (124 Main Street), The Toadstool Book Shop (Emerald Street), The Monadnock Food Coop (Cypress Street) as well as other possible downtown businesses, will also be designated as performance venues. We would like to request and reserve the use of parking metered space #'s: 164, 166, 168, 170, 172, and 174 on Main Street in front of the City Tire Company. The Main Street metered spaces are being requested to serve as a staging area to allow the sound crew to prepare equipment to be set up in the City Tire Company parking lot; and could be opened for use later in the day; As well as four metered spaces in front of Railroad Square.

While we do not request that Railroad Street, from Main Street to the parking garage be officially closed, we are asking that the Public Works Department please provide us with adequate barriers for that eventuality. If the Keene Police Department determines that there is a safety issue, we will close the street as needed. We are also requesting to place a stage at Lamson Street; in the area between Main Street and the sidewalk. We would request access to portable safety barriers to place at the entrance to Lamson Street to serve as a buffer between Main Street and the performers. The performance area would be designed to fit within the area between Main Street and the sidewalk adjacent to Lamson Street.

As with prior years, and in a manner consistent with community event protocol, we ask that the City please give due consideration to absorbing any additional cost of Police Officers, Public Works and Fire Department Personnel for the day. We are requesting that Police and Fire Department Personnel be detailed to the event between the hours of 11 :00 AM and 10:30 PM.

As required, we will provide a \$1 Million certificate of insurance to the City, and work closely with City staff to ensure that this is a safe and enjoyable event. We will also procure and set up four port-o-potties.

Our previous Music Festivals have always been a great success. There have been no public issues; the performances have been amazing, and the crowds' orderly. As in previous years, Keene Music Festival does not consider or accept outside vendor applications. We prefer to encourage our guests to explore local businesses and shops as they enjoy the musical well as the array of the current licensed Food Trucks, who will be invited to participate in the Downtown area.

Events such as this add to the vibrancy of our Downtown, and the City in general, helping Keene be the exceptional place that it is. We thank you in advance for your continued consideration and support.

Sincerely,

Pablo Fleischmann
Keene Music Festival Director

CITY OF KEENE NEW HAMPSHIRE

ITEM #A.5.

Meeting Date: June 11, 2025
To: Planning, Licenses and Development Committee
From: Terri Hood, City Clerk
Through:
Subject: Warrant for Unlicensed Dogs - City Clerk

Recommendation:

That the City Council issue a warrant for unlicensed dogs pursuant to NHRSA 466:14, and the Keene Police Department and the City Clerk's Office be directed to issue a civil forfeiture to those dog owners who have failed to license their dog by April 30, 2025.

Attachments:

1. Dog Warrant 2025 - NON-RENEWALS
2. Dog Warrant 2025 - NEW DOGS

Background:

State Statute provides that the City Council authorize the annual warrant for unlicensed dogs. The civil forfeiture carries a \$25.00 fine that must be paid by the dog owner within 15 days of receiving notice. State statute also provides that failure to license a dog and pay the civil forfeiture could result in a complaint being filed with Keene's 8th Circuit Court.

This year, the City Clerk's Office is once again presenting two lists for authorization. The first is a list of owners who have not renewed their dog's license for this year. The list of non-renewed dogs includes 365 dog owners, with 464 dogs remaining unlicensed. The second list represents owners for which the City Clerk has received a notification from a local veterinarian that the dog has received its first rabies vaccination. Veterinarians are required by statute to notify the City Clerk and we, in turn, are required to follow up with these dog owners to ensure they obtain a license. This notification entails sending the owner a letter notifying them of the obligation to license their pet. The list of new dog owners includes 62 owners, with 67 unlicensed dogs.

The following mechanisms for reminding dog owners of the licensing requirement were followed: two official publications appeared in The Keene Sentinel, bi-weekly reminder emails were sent to dog owners beginning in February, reminder postcards were sent to owners with no email address in April, and automated phone calls were made to all owners remaining on the warrant list in May. To-date, the City Clerk's Office has issued 2,690 dog licenses for the 2025-2026 license period.

Civil Forfeitures are typically issued on or around July 15th and are due within 15 days of issuance. The City Clerk's Office will continue its outreach efforts to further reduce the number of fines that must be sent out.
