Description

Ordinance O-2016-12

BACKGROUND:

The Public Works Department has received inquiries from neighborhood residents and Keene State College administration regarding the Main Street crosswalks at Elliot Street and adjacent to the Westwood Center.

In response, staff has developed a plan to improve crosswalk visibility and pedestrian safety at these locations.

The improvements consist of pavement markings and lighting. Staff also recommends prohibiting left turns out of Elliot Street. This will allow the creation of a painted "refuge island" without turning movement conflicts.

Ordinance O-2016-12 will designate Elliot Street as a right turn only onto Main Street northbound. Motorists intent upon traveling south on Main will drive to the Main/Marlboro/Winchester Street roundabout in order to make a legal U-turn.
